STATEMENT UNDER 1.821(f)

Sir:

In connection with this Application a Computer Readable Copy of the Information required under 1.821 is being submitted concurrently together with the application.

As required under 1.821(f), the undersigned hereby states that the content of the paper copy which comprises the General Information and the Sequence Listing and the Computer Readable Copy are the same, and that the sequence listing submitted does not introduce new subject matter.

This statement is made by a person registered to practice before the U.S. Patent and Trademark Office and as such, a verified statement is not required and is not being submitted.

Respectfully,

By:
